**CHESAPEAKE LIGHT CRAFT**

**The Zen of Wooden Kayak Building**

*How to Build a Lightweight Sea Kayak*

**The Zen of Wooden Kayak Building**

**Light, fast and seaworthy: the sea kayak.**

Chesapeake Light Craft has years of experience producing stitch-and-glue sea kayak designs that are easy to build and a joy to paddle. More Chesapeake Light Craft kayaks have been built from plans and kits than any other. We've always said it's easy to build a stitch-and-glue kayak. Now watch how easy it is!

With clear visuals and engaging wit, boatbuilder John Harris takes you step-by-step from a pile of parts to the launch
